

# How to Use External eBooks

**Step 1:** Log into your school's book store at [abc.shelfit.com](http://abc.shelfit.com) (your school code instead of "abc").

**Step 2:** Click the green **Go to Your Shelf** button.

**Step 3:** Click on the **External eBooks** cover.

**Step 4:** Select your external ebook.

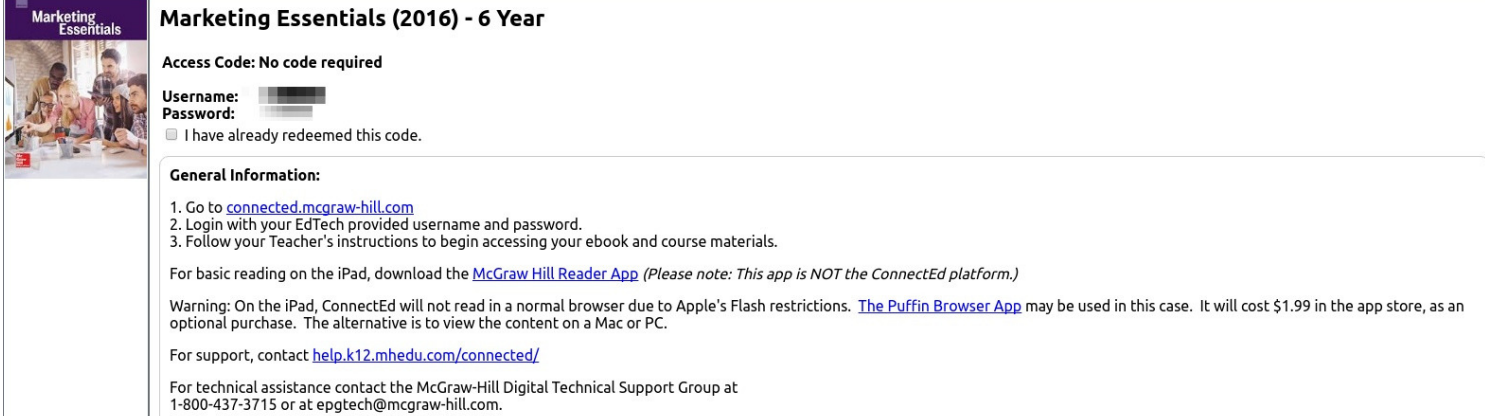

- A new tab will appear if the product requires a username and password.

## External eBooks

**Step 5:** Follow the instructions shown for the ebook.

- You can open the link in the directions in a new tab to make the information available for reference while logging into the publisher's website.

**Marketing Essentials (2016) - 6 Year**

Access Code: No code required

Username:

Password:

I have already redeemed this code.

---

**General Information:**

- Go to [connected.mcgraw-hill.com](http://connected.mcgraw-hill.com)
- Login with your EdTech provided username and password.
- Follow your Teacher's instructions to begin accessing your ebook and course materials.

For basic reading on the iPad, download the [McGraw Hill Reader App](#) (*Please note: This app is NOT the ConnectEd platform.*)

Warning: On the iPad, ConnectEd will not read in a normal browser due to Apple's Flash restrictions. [The Puffin Browser App](#) may be used in this case. It will cost \$1.99 in the app store, as an optional purchase. The alternative is to view the content on a Mac or PC.

For support, contact [help.k12.mhedu.com/connected/](http://help.k12.mhedu.com/connected/)

For technical assistance contact the McGraw-Hill Digital Technical Support Group at 1-800-437-3715 or at [epgtech@mcgraw-hill.com](mailto:epgtech@mcgraw-hill.com).

**Step 6:** Enter the username and password as listed in the publisher's instructions.

- Copying and pasting works for some publishers, while others require the entries to be typed.
- This login information may be stored by your internet browser for future use when logging into your school's external e-content.
